CARE & MAINTENANCE

Products are required to be cleaned on a regular basis (especially if you live close to the ocean, pollution etc) and should only ever be washed down with a soft bristled brush using warm (mains) water and a mild detergent (see maintenance table below).

This warranty does not apply to damaged caused by abuse, fire, accident, acts of God, wear and tear or alteration to the original product in any part.

SUGGESTED MAINTENANCE (CLEANING) PERIOD TABLE	
Environment	Frequency
Mild Greater than 10km radius from oceanfront or saline bay	Every 3 to 6 weeks
Moderate Within 1km to 10km radius of an oceanfront or saline bay	Every 2 to 4 weeks
Marine Within 500m to 1km radius of an oceanfront or saline bay	Every 1 to 2 weeks
Severe Marine/Industrial Within 500m radius of an oceanfront or saline bay or heavy industrial area	Every 1 to 2 weeks
